

ROBINSON LUMBER COMPANY

DECKING

Exotic Wood Decking from South America: Ipe, Garapa, Cumaru

Ipe:

- Ipe's properties make it the toughest and longest lasting decking material available
- Ipe decking carries the highest rating against rot and insects
- Ipe decking carries Class A Fire Rating - the same rating given to concrete and steel

Garapa:

- Garapa decking properties make it softer than ipe, but just as stable
- Class A Fire Rating- same as concrete and steel
- Medium to High rot resistance

Cumaru:

- Cumaru decking provides a cost effective and long lasting decking alternative to Ipe
 - Class A Fire Rating- same as concrete and steel
 - Cumaru decking carries the highest rating against rot and insects
-
